

Christmas Stuff from Greencycle

As usual, we will be closed between Christmas and New Year, so there will be **no collections from Monday 26th December to Friday 30th December**. Monthly

customers or alternate week customers, who had a collection scheduled for that week, should have received an email informing them of their replacement collection date. Please let us know if you did not receive it.

This is our busiest time of year as everyone welcomes family and friends, so please help us by letting us know if you will be away. Remember we will credit you if you are away for 2 or more consecutive collections.

Staff Christmas Box: As with the last few years - we add any monies received from drop-offs at the warehouse, and cool drink bottle returns to a Christmas Fund for our staff. If any

of you wish to contribute, (absolutely no obligation), just put Christmas Box as your reference (for EFTs) or, please ask the driver to write "Christmas Fund" on your receipt if you give them cash.

I (Laura) am pretty much flying solo these days as Louise is busy with various other projects. She is still on the NPO Committee, so we haven't lost her completely.

Party Crates: Several customers

made use of our party crates last festive season. If any of you are thinking of doing so again this year, please book early as crate numbers are limited.

Please help us spread the word by liking **and** sharing our Facebook page, if you have not already done so.
