MORE THINGS YOU CAN KEEP OUT OF LANDFILL

We are super-smiley this month as the bearers of glad tidings: there are now additional items we can take for recycling. Here are the new things you can send our way:

CDs and CD Covers

Paint Pots
(empty please)

Then there are things we have always been able to take, but some people don't know:

Electronic Waste

Juice/Milk Cartons

Shiny Paper

Large Plastic Items

AD BREAK

GREEN OVERALL
YOUR GOING GREEN SOLUTIONS PROVIDER

Water and Energy Conservation Systems

Rainwater Harvesting
Grey Water Systems
Pool Backwash Savers
Water Filtration
Water Tanks and Pumps

Solar Geysers
Heat Pumps
Solar PV Systems
Pool Heat Pumps
Solar Borehole Pumps

And we continue to struggle with being given waste items.

THE FOLLOWING ARE NOT RECYCLABLE

PET Containers/Punnets

Coloured Polystyrene

To help everyone with their recycling efforts, we have designed a new poster and flyer. If you would like either, please just let us know. Posters (A3) are R15 and (A5) flyers are free to Greencycle customers.
