

As usual, we will be closing for the week between Christmas and New Year, so there will be **NO COLLECTIONS from Monday 24th to Friday 28th December inclusive.** Collections will restart on Monday 31st December and continue every day until Christmas 2019! **We will be collecting on 1st January, and all other public holidays throughout the year.** Please help us by letting us know if you will be away over the holiday period – particularly on 31st Dec and 1st January as we will be operating with a skeleton staff on those days.

Customers in fortnightly collection areas and monthly customers who will be affected by the Christmas closure should have received an email detailing when their collections will take place.

Each year, money from drop-offs go to provide the staff with a little extra for Christmas. If anyone would like to add to the pot, it would be very much appreciated, although please do not feel obliged to do so. Please mark any EFTs “**Christmas Box**” or stipulate the same if giving cash to the collection teams.

Why should you recycle? There is a myriad of reasons; we all have one or two that are our personal favourites - helping the environment, employment, energy, saving resources, knowing where your refuse is going, are just some of them.

Why should you recycle with Greencycle?

We are a non-profit

with

Fabulous Customers

who enable us to

Provide more than 20 permanent jobs

and

Keep millions of kilos of waste out of our natural environment

Remember our fold-up *Off-Chute* bags make great stocking fillers/ teacher gifts and are small and light enough to post. New colours & improved design coming soon. Bags are R40 each or R150 for a set of 4.

The last newsletter concentrated on what cannot be recycled. Processing costs are, almost without exception, higher than the value of each bag of recyclable waste that you send us, and having to sort & dispose of general waste, just adds to the (negative) bottom line. Please ensure you are not sending us non-recyclables, particularly food! You should all have received one of our flyers by now – please let us know if you have not.

And if you would like to be added to our ‘**Can I Recycle This**’ Whatsapp group, just let me know.
