

Christmas 2013 Collection Dates

Dear Greencyclers

The decorations aren't even in the shops – no sleigh bells ringing in the shopping aisles, but we are trying to be super organized so everyone knows exactly what is happening when.

Greencycle will be **closed** for the whole of the Christmas week, i.e. **Monday 23rd December to Friday 27th December inclusive**. There will be no collections during this week.

As usual, please help us at this, our busiest time of year, by letting us know if you are going to be away over the holidays and do not need a collection (your account will be credited for cancellations of 2 or more consecutive collections).

Also, if you are planning a clear out before the hoards descend; we would appreciate the heads up.

FORTNIGHTLY CUSTOMERS,

who would have been due a collection that week, please see below for your alternate collection date.

Customers in **Linton Grange, Westering, Morningside, Cotswold, Malabar and Fernglen**: there will be no collection on 24th December, instead we will be there the preceding week on 17th; we will then revert to schedule so that your next collection falls on 7th January 2014.

Customers in **Framesby Gardens, Brymore, Kabega Park, Rowallan Park, Sherwood, Benkamma, Beverley Grove and Kamma Creek**: there will be no collection on 24th December, instead we will be there the following week on 31st; we will then revert to schedule so that your next collection falls on 7th January 2014.

Customers in **Kini Bay, Seaview, Beachview, Lakeside, Bushy Park and Deer Park**: there will be no collection on 26th December, instead we will collect the following week on 2nd January; we will then revert to schedule so that your next collection falls on January 9th 2014.

MONTHLY CUSTOMERS should already have their collection dates. Please let us know if you have not.
