

***** NEW *** Recycling Bins:**

Some good news for all the shopaholics out there – we are now in cahoots with Postwink in Cape Town to give you access to the latest in recycling accessories. (In other words, we are selling some waste bins.) Please have a look on the website for a few examples, and from there you can download their brochure and get shopping!

Public Holidays - Collections

Just a reminder that we do collect as normal on public holidays, with the exception of the week between Christmas and New Year.

Stop press..... Greencyclers keep 305 tons of waste out of landfill in 2011. Well done!!

Reminder: Please, please make sure you are using the **new bank account** details. Most of you have made the switch, but there are still a lot of payments finding their way into the old account. Your statement shows the new bank details and they are also on the website:

<http://www.greencycle.co.za/feesandbankingdetails.html>

Just to clear up any confusion over PET:

We do want all your plastic bottles - please keep giving them to us.

It is only the trays that cannot be recycled. We have now added photos to the website to make what we can and cannot take as clear as possible - please do have a look when you have time:

Extra Bag Charges:

If you exceed your weekly/fortnightly bag allowance, we are now calculating extra charges on a monthly basis. E.g. if you have a weekly bag allowance of 3 bags, and you give us 1 bag one week, and 5 the next, you will not incur any extra charges in that month.
